Update 2021-04-15

Upgraded to version 4.24.2.

This resolved the tickets of the following versions:

- 4.23.0[1]
- 4.24.0[2]
- 4.24.1[3]
- 4.24.2[4]

General Changes

#1 Password Fields in HR-Expert

In HR-Expert, it is now possible to define additional fields as passwords. Passwords are not displayed in plain text in the HR-Expert interface but are shown as asterisks. The password is stored encrypted in the database.

WD-12379[5]

#2 Travel Reports: Vehicle License Plates Are Now Displayed

So that the vehicles used can be identified correctly, the travel reports now also display the license plates of the respective vehicles.

WD-10586[6]

#3 Email Notifications for All New Tasks of a Day

A new parameter has been added to the settings for email notifications about new tasks. It is now possible to be informed once per day about all open tasks. A person is, of course, only notified if there is at least one open task.
