Update 2020-08-16

Upgraded to version 4.13.0.

This resolved the tickets of the following versions:

- 4.13.0[1]

General Changes

#1 Legislations Can Now Be Assigned to Multiple Clients More Easily

WD-11199[2]

#2 Permission to Edit Profile Pictures

If users do not have permission to edit their profile picture, the profile picture mini icon is not displayed to them either.

WD-11225[3]

#3 Managing Profile Pictures via User Settings

Profile pictures can now be managed via the user settings.

WD-11227[4]

New Features

#1 Email Notification When a Profile Picture Is Deleted

A selection option has been integrated so that client administrators receive an email as soon as users delete their profile pictures.

WD-11448[5]
