

Update 2024-08-28 (4.58.8)

The system was updated to version [4.58.8](#) ¹.

This release contains hotfixes and the following **improvements**

- In the **travel expense reports** area, a new job was implemented that compresses the file size of attachments to requests.
- Search form for the "**Filters and Irregularities**" reports: the "Enable filter" checkbox was removed. The available filters are now displayed immediately:
