# 4.64.12

Release Notes - Webdesk - Version 4.64.12 - July 1, 2026

## New Features

### Project Time Tracking

- [WD-19795[1]] - New function: It is now possible to automatically assign certain time booking reasons to a defined project.

## Bug Fixes

### Time & Attendance

- [WD-21247[2]] - Fix for an issue where an unwanted error message was generated in the log when editing a weekly program in the time model.
- [WD-21218[3]] - Fix for an issue where the PDF export of the calendar could fail due to an unsupported background color.
- [WD-21216[4]] - Fix for an issue where no error reasons were displayed in the PDF export of the group calendar.

### Travel Expense Tracking

- [WD-21256[5]] - Fix for an issue when saving an existing trip that could result in an error message in isolated cases.
- [WD-21157[6]] - Fix for an issue where editing travel requests could fail when adjusting the travel period.

### HR Expert

- [WD-21245[7]] - Fix for an issue where values in certain additional fields were not saved.
- [WD-21229[8]] - Fix for an issue where additional fields were not displayed in the HR Expert person editor.

### Interfaces

- [WD-21248[9]] - Fix and safeguard for delta exports so that problems caused by missing primary key assignments are detected and prevented more clearly.

### Login / Logout

- [WD-21167[10]] - Fix for an issue where, after a failed login, the error message was incorrectly also displayed for new logins.

### Other Bug Fixes

- [WD-21239[11]] - Fix for an issue that could cause an error message when downloading empty folders in document management.
- [WD-21228[12]] - Fix for an issue with the detection of the Git branch in development mode when using worktrees.

## Miscellaneous

- [WD-21258[13]] - Improvement of the documentation for correctly linking tickets to epics.
- [WD-21257[14]] - Improvement of the instructions and tools for managing the Maven repository per working directory.
- [WD-21253[15]] - Improvement of the automatic provision of guidelines for Claude Code by adjusting the import files.
- [WD-20592[16]] - Internal guidelines for processing tickets were defined.
