4.63.17

Release Notes - Webdesk - Version 4.63.17 - April 20, 2026

Improvements

Travel Expenses

- [WD-20146[1]] - Travel expenses can now be saved as a draft even if not all required fields have been filled in yet.

Reporting

- [WD-20534[2]] - Improvement of the PTM reports: display of the full activity name (long name) instead of the short name for more meaningful evaluations. This function can be enabled on request. Please contact support for this.

Bug Fixes

Project Time Tracking

- [WD-20537[3]] - Fix for an issue where the project selection dialog in monthly project time tracking could not be closed and the page froze.

HR Expert

- [WD-20215[4]] - Fix for a display error in vacation requests: hour-based vacations are now displayed correctly in hours and holiday rules for Christmas and New Year are taken into account according to the daily program parameter.
