- [WD-9813[111]] - Layout issues for viewing finished travel requests

Epic

- [WD-7863[112]] - Migrate to Bootstrap 4
- [WD-9190[113]] - Combine attachments with records in Travel

New Feature

- [WD-8332[114]] - Integration of contact-form into homepage
- [WD-9238[115]] - Rework of Search-Menu and User-Menu to Webdesk standards on the top right for HRX
- [WD-9243[116]] - Quick Creation of TimeModel from Template
- [WD-9528[117]] - Add possibility to link RecordSpecial to an attachment
- [WD-9689[118]] - Show attachments in the details View of travels
- [WD-9727[119]] - Amount of Records column too narrow on Ipad

Task

- [WD-9407[120]] - Add validation when saving TaAccountTemplate or TaBreakSkeletonTemplate for client field
- [WD-9484[121]] - Increase major version to 4.5.x
- [WD-9501[122]] - Refactor validators of editTimeModel action
- [WD-9503[123]] - Service level validation for creation of Time-Model
- [WD-9518[124]] - Create new properties in TmTravelType: allowLinkingRecordToAttachments, forceLinkingOfRecordToAttachment
- [WD-9568[125]] - REST Endpoint to Get if User is Kiosk Admin Using Useruid
- [WD-9572[126]] - Provide static URLs to access trial-form react app
- [WD-9722[127]] - Translations of textmodules
- [WD-9733[128]] - Unify and fix german translations of employment and employment states

Improvement

- [WD-8386[129]] - Hide error message from ta_getAttendanceTableau.act
- [WD-8723[130]] - Refactor Navigation to only use CSS (no javascript)
- [WD-8871[131]] - BS4: Correction client has strange lines in some of the column headers
- [WD-8911[132]] - personProfileV2 as react-based webdesk action
- [WD-8956[133]] - Layout glitches on ptm_editProject.act
- [WD-9040[134]] - Logo block shall be a link to homepage (which is now "Dashboard")
- [WD-9233[135]] - Additional fields which are set invisible are shown in tmTravel
- [WD-9255[136]] - Add permission check for client-admin so he can edit only time-models that are assigned to his company
- [WD-9279[137]] - Improvement for week program display in person
- [WD-9286[138]] - Action Access Rights are duplicated after registration
- [WD-9331[139]] - Update png icons in HRX to equivalent FontAwesome icons
- [WD-9385[140]] - Display "Target Time Hours" in editTimeModel action in format HH:MM
- [WD-9406[141]] - Display notification after a new api-key is generated
- [WD-9418[142]] - Add "Generate new api-key" button in editKiosk.act
- [WD-9428[143]] - Make start of trial field editable in editClient
- [WD-9430[144]] - Make showApiKey use SDL table
- [WD-9431[145]] - Improvements in editApiKey
- [WD-9434[146]] - Style HRX table headers as Webdesk's
- [WD-9436[147]] - Style HRX list background as in Webdesk
- [WD-9439[148]] - Make HRX date pickers match those in Webdesk
- [WD-9440[149]] - Style HRX tabs (in the editor) as in Webdesk
- [WD-9441[150]] - Style editor texts in HRX as in Webdesk
- [WD-9442[151]] - Use the same font in HRX as in Webdesk
- [WD-9459[152]] - Make language field required for Kiosk
- [WD-9468[153]] - Make configured actions load access rights from its parent
- [WD-9483[154]] - Add possibility to display person orgUnit shortName
- [WD-9507[155]] - Add Client column in show time models.
- [WD-9510[156]] - Vehicle Logbook layout improvements
- [WD-9512[157]] - System Messages: Do not show delete button when creating a new one
- [WD-9535[158]] - Improve Attachments tab for edit travel
- [WD-9537[159]] - BS4: improvements on correction client, project time booking and edit time efforts pages
- [WD-9539[160]] - Improve Workflow List to also display the list of record attachments.
- [WD-9567[161]] - Follow webdesk's button scheme in HRX
- [WD-9573[162]] - 30-day trial - create a default project
- [WD-9574[163]] - Trial admin user needs some roles assigned
- [WD-9580[164]] - Style HRX tables as Webdesk's

- [WD-9631[165]] - Extend HrPersonService to adapt to the new feature parallel employment states better
- [WD-9638[166]] - In Record step some of the table headers are top and other bottom aligned
- [WD-9639[167]] - Fix capitalization of table labels in Records Step
- [WD-9640[168]] - Fix capitalization of labels in some of the steps names
- [WD-9641[169]] - Fix the layout for mobile devices
- [WD-9686[170]] - HRX OrgUnit tree: groups should be displayed sorted by shortname
- [WD-9690[171]] - Mobile: Make amount field in records one line
- [WD-9746[172]] - Employ the same logic of "Frame" tab to "Breaks" and "Accounts" tab too

Sub-task

- [WD-9525[173]] - Add new properties to TmTravelType POJO
- [WD-9526[174]] - Add properties to edit TmTravelType UI
- [WD-9527[175]] - Write update script for 2 new properties in TmTravelType
