First Login

General

For the first login to the Personalwolke Webdesk client, please go to the page https://personalwolke.at/webdesk3/:

WARNUNG

Attention: the first login must take place in the browser.
It cannot be completed via the app!

- **Username** - the username you received from your administrator
- **Password** - for the first login, this is the same as the username
- **Stay logged in** - this option can be selected to save the login data for an automatic login in the browser

Password policies

There are a few rules to follow when choosing a new password:

- at least 8 characters
- at least 1 digit
- at least 1 special character (§,$,%,&,+,~,*,},[,...)
- at least 1 uppercase or lowercase letter

First login

After the first login, the password must be changed:

Old password: temporary password from the e-mail
New password: freely selectable within the criteria below
Confirm new password: enter the same password again for verification

Forgot your password

Have you forgotten your login password? No problem, simply click the link "**Forgot password?"** in the login screen. Continue **here -->**[2]
