

Documents

Depending on the administrator's configuration, this menu displays the folder structure and the files stored in it, including the option of uploading files to the corresponding folder. The folder structure is created automatically when the employee is created.

The screenshot shows the 'webdesk hr expert' interface. At the top, there is a navigation bar with 'PERSONAL', 'ORGANISATION', and 'SYSTEMWARTUNG' tabs. The user is logged in as 'BENUTZER'. The main content area displays the profile of 'Wayne John' with a photo, name, and various details like 'Männlich' and '26.05.2007'. Below the profile, there is a 'Documents' section with a tree view on the left and a table on the right. The tree view shows a folder structure for 'Wayne John' with sub-folders like 'Austritt', 'Behinderungen', 'Beschäftigung', 'Bewilligungen', 'Gehalt', 'Gehaltskomponenten', 'Mutterschutz u. Elternzeit', and 'Vertrag'. The table on the right has columns for 'Name', 'Größe', 'Erstellungsdatum', 'Letztes Änderungsdatum', 'Erstellt von', and 'Zuletzt geändert von'. The table is currently empty. There are also buttons for 'Sofortiger Austritt' and 'Sozialversicherung Anmeldung'.
