Tab Employment - Disabilities

Disabilities are kept up-to-date in this area. As soon as the data concerning an employee's disability is saved, the message appears that a document can be stored for it. Select the desired disability from the list and click the "**x related documents**" button. In the following dialog you can upload one or more documents.

> **NOTIZ**
>
> **Important:** This links the document to the selected disability and automatically stores it in the correct destination folder in the "Documents" tab. The reverse procedure of uploading the document in the "Documents" tab and then assigning it to the disability is not possible, see: Linking documents with disability or tax advantage[1]

> **WARNUNG**
>
> **Important**: Consider Time limitation and Historisation[2]. so that you achieve the intended effectiveness and historization!
