

Update 2021-04-15

Upgraded to version 4.24.2.

This resolved the tickets of the following versions:

- [4.23.0](#)¹
- [4.24.0](#)²
- [4.24.1](#)³
- [4.24.2](#)⁴

General Changes

#1 Password Fields in HR-Expert

In HR-Expert, it is now possible to define additional fields as passwords. Passwords are not displayed in plain text in the HR-Expert interface but are shown as asterisks. The password is stored encrypted in the database.

#2 Travel Reports: Vehicle License Plates Are Now Displayed

So that the vehicles used can be identified correctly, the travel reports now also display the license plates of the respective vehicles.

[WD-10586](#)⁶

#3 Email Notifications for All New Tasks of a Day

A new parameter has been added to the settings for email notifications about new tasks. It is now possible to be informed once per day about all open tasks. A person is, of course, only notified if there is at least one open task.
