

Update 2022-01-18

Upgraded to version 4.37.3.

This resolved the tickets of the following versions:

- [4.37.0](#)¹
- [4.37.1](#)²
- [4.37.2](#)³
- [4.37.3](#)⁴

#1 Extended Menu Bar in HR-Expert

There is now a new item in your menu bar.

The "Reports" function now appears in the menu bar between "Organization" and "System Maintenance".

This makes creating reports and evaluations even faster.
