Tab Time Recording

Here you define the **start of time recording** for this employee, his **percentage working time** and the **weekly program** to be used.

To enable an employee to use time recording via HR-Expert a activation of the feature "time recording" as soon as the generation of a new employee's profile in HR Expert is complete. (It is not possible to activate "time recording" during the process of profile generation.)

In this tab, the settings for the Modul Time Base[1] and Modul Time Pro[2] are made.

Details on this topic can also be found on this page: New Person[3].
