Colour coding:

- black font: approved absences
- red font: approvals still open
- Light blue cell: the current day
- Yellow cell: Saturdays
- Orange cell: Sundays
- Green cell: public holiday according to the public holiday calendar set for the employee

E.g. as long as an absence / special absence request is in progress (status unapproved), the absence is already entered in red in the calendar.

After a request has been approved, the absence appears in black on the days concerned. All work-relevant data is updated (e.g. remaining leave or planned leave).
