

Time Base

General

Standard employees have the possibility

- to **book** attendances and absences
- use the menu items
 - **Info**
 - **Requests**
 - **Workflow Management**
 - **Options**

Management employees have the possibilities of the standard employee and additionally

- the menu item **Management**
- the menu item **Reports** for various evaluations concerning the company / the employees

Admin employees have the possibilities of the standard employee and additionally

- the menu item **Administration** to perform administrative tasks concerning the company / the employees.

Of course, one or more employees can also be assigned the management and administration ability at the same time.

Workflows are controlled by freely assigning the **roles** of supervisors and personnel to individual employees and/or groups.
