

FAQ: Changing the short name/name of a group

Select the item **Groups** in the menu tree under **Administration**.

This menu item provides a **list of all created groups** (loose groups and hierarchical groups) of the client (company).

The screenshot shows the 'Groups' application interface. At the top, there is a 'New group' button and navigation options for Print, PDF, and Excel. Below this is a table with the following columns: Shortname, Name, Description, Auto-add new persons?, Client, Orgstructure, Valid from, and Valid till. The table contains 11 rows of data, each representing a different group type. The 'Shortname' column has a search icon and a filter dropdown. The 'Client' and 'Orgstructure' columns have dropdown menus. The 'Valid from' and 'Valid till' columns have date pickers.
