

# Tab Organisation - Positions

The screenshot shows the SAP Fiori interface for managing job assignments. At the top, there's a horizontal navigation bar with various tabs such as Stammdaten, System, Erw. Kontaktinfos, Zeiterfassung, Organisation, Qualifikationen, Beschäftigung, Aufgaben, Entwicklung, Finanzen, Bildung, Angehörige, and Dokumente. Below this is a secondary navigation bar with buttons for Gruppen, Rollen, In Zuständigkeit von, Akontierungen, Stellen, Planstellen, and Verantwortungen. Two action buttons are present: a blue 'Neu' (New) button and a red 'Zeile löschen' (Delete row) button. The main area displays a table with one row. The table has columns: Stelle, Planstellen-Erfahrungsstufe, Gültig von, and Gültig bis. The first column contains 'IT-Test IT-Test'. The second column is empty. The third column shows the date '19.07.2017'. The fourth column shows the date '01.01.3000' and a calendar icon.

In this area, the person's job assignments are historized. It is thus possible to document all professional changes of the person within the company.
