Overtime (Statistics)

General

The "Overtime" statistics report corresponds to the list of the same name [1]under "Annual Accounts"; the difference is that here the query period is different.

You can find a description of the search form and of features such as filtering and hiding HERE[2].

Accounts shown

in alphabetical order

Account name	Account description	Account can be influenced by
25/50/70/100/200 % OT tax-free (J)	tax-free overtime worked, credited with a 25/50/70/100/200 % premium depending on when it was incurred, per year	Bookings and booking corrections (correction client, absence client or requests by the person)
