Vacation (Statistics)

General

This report corresponds to the report of the same name[1] under "Annual Accounts", with the difference that a different query period can be selected here.

You can find a description of the search form and of features such as filtering and hiding HERE[2].

Accounts shown

in alphabetical order

Account name	Account description	Account can be influenced by
Current entitlement	Vacation entitlement assigned per vacation year, taking proration into account	
Full-time entitlement	Entitlement of an equivalent full-time employee
