Unevaluated Working Time, Capping & Flat Rates (Statistics)

General

This report corresponds to the report of the same name[1] in the "Monthly Accounts" area; the difference is that a different query period can be selected here.

You can find a description of the search form and of features such as filtering and hiding HERE[2].

Accounts shown

in alphabetical order

Account name	Account description
Capped balance (St)	Surplus hours that were deleted or cut off at the end of an averaging period.
Actual deduction OT flat rate (actual deduction of overtime flat rate) (ST)	Overtime flat rate actually deducted, in hours. The absence principle is taken into account
Approved above maximum working time (St)	approved excess time
Unapproved above maximum working time (St)	Actual time that was reported as an excess but has not yet been approved.
Unevaluated working time (St)	Actual working time performed outside the daily maximum working time and for which no report was submitted by the employee by the cut-off date
