4.55.14

Release Notes - Webdesk - Version 4.55.14 - February 6, 2024

Improvements

- [WD-16554[1]] - In the action rs_doRescheduling, comments are now also displayed in the table view.
- [WD-16594[2]] - When recording business trip settlements, the field label "Overnight Allowances" was changed to "Overnight Allowances Domestic" to allow a clearer assignment of amounts.
