4.57.2

Release Notes - Webdesk - Version 4.57.2 - May 6, 2024

Bug Fix

- [WD-16979[1]] - Fix for an issue that prevented persons with a valid NFC tag configuration from being displayed in the NFC tags action (po_showNfcTags.act)
- [WD-16433[2]] - Fix for an issue that occurred when completing time corrections for another person and caused the time correction to appear in the display of completed tasks, but without the person's name being shown
