4.57.9

Release Notes - Webdesk - Version 4.57.9 - June 19, 2024

Bug Fixes

- [WD-16756[1]] - Fix for an issue in the travel expense report that occurred in the detail view and caused the currency of an attached receipt not to be shown in the main currency
- [WD-17032[2]] - Correction of the size of the default avatar image (which appears when no profile picture has been uploaded), among others in the function Master Data/Info
