Update 2024-08-01 (4.58.3)

The system was updated to version 4.58.3 [1].

This release contains a hotfix and the following improvement:

In the daily program view (Administration # Time Tracking # Daily Programs # open a daily program from the list), an additional tab was added that also makes it possible to manage decentralized default absence bookings in the daily program. For more information about this new tab, see HERE,[2] / Step 8: "Absence Bookings" tab.
