4.58.27

Release Notes - Webdesk - Version 4.58.27 - December 4, 2024

Bug Fixes

- [WD-17960[1]] - The update of Bootstrap to version 4.3.1 was also applied to some static pages that had not been included before
- [WD-17323[2]] - Fix for an issue that caused user-side changes to the view to be applied with a delay or incorrectly.
