

Calendar overview

This overview provides a monitoring tool for planned or already consumed absences (holidays).

Already submitted and approved absences will be shown in blue colour, submitted, but not yet approved absences in red colour. Saturdays are marked in a light yellow, sundays in dark yellow colour. Red marked days are flagged as holidays.

NOTIZ

Attention: Appointments (calendar entries) from the Groupware-System (Notes or Exchange) are only available, with an activated Calendaring Module.
