In the screenshot above, you can see,

- When the process was created (**Date of application**)
- who the applicant (Renner Rudi) was and which department / group (PP-AGB1) he belonged to (**Author of Process**)
- that it was a matter of time correction requests (**details**)
- that Renner Rudi was in all cases the applicant (Star-Symbol) and Huber Peter approved it (Check Mark-Symbol) (**Progress**)
- a stopp-symbol would mean that the request was rejected

A more detailed description of the **filter functions** and the **detail view** (by clicking on the black info button / the Details button) can be found in the chapter Workflow / [General Information](#)^{1, 2}.

Additional function

It is possible to open a new form for the specific reason for absence (in this case a special holiday request) directly from the process details view.
