# Sorting / Search options

This list can be sorted in ascending or descending order using the blue triangles

( 🕈

and according to various criteria (last name, first name, group, user name, personnel number, TA-ID, active, valid from).

In addition, the white text fields at the beginning of the list offer the possibility to restrict the displayed data records according to various criteria, e.g.: Last name "gs" shows only persons whose last names contain "gs" (enter gs in the text field and start search with Enter / Enter key / click

To make all records visible again, simply delete the search term from the corresponding field

press Enter again.
