## Changing the part-time factor

NOTIZ

Attention! The following description refers to simple modifications! Especially in connection with the consideration of pro rata holiday credits, it is recommended to contact a member of the Workflow support team before entering the data!

Likewise, after selecting the person, the **part-time factor** can be changed via the **Settings tab**.

In the area marked in green, the part-time factor can be changed **immediately** (percentage, number entry) - the changes are applied by clicking on **Save**.

### Part time percentage

Part time percentage  +

If the **part-time factor** is to be changed automatically **from a certain date**, this can be set via + **button**.

## Part time percentage

Part time percentage  +

and then

## Part time percentage
