Tab Employment - Disabilities

Disabilities are kept up to date in this area. As soon as a disability is saved, a message appears indicating that a document can be stored for it. Select the desired disability in the list and click the "**x related documents**" button. In the following dialog you can upload one or more documents.

NOTIZ

Important: This links the document to the selected disability and automatically stores it in the correct destination folder in the "Documents" tab. The reverse procedure of uploading the document in the "Documents" tab and then assigning it to the disability is not possible, see: Linking Documents with a Disability or Tax Benefit[1]

WARNUNG

Important: Please observe Time Limitation and Historization[2] so that you achieve the intended effectiveness and historization!

You can find more information on the entries under Employment Field Index[3].
