4.19.16

Release Notes - Webdesk - Version 4.19.16

Bug

- [WD-12549[1]] - Fixed an issue where the start date was changed for persons whose Time & Attendance start date is in the future.
- [WD-12623[2]] - Fixed a missing label in a BIRT report.
- [WD-12666[3]] - Fixed an issue with the column summation for daily accounts in reports.
- [WD-12707[4]] - Fixed an issue in the HRX dashlets "Starting / Expiring Employment Relationships".

Improvement

- [WD-12507[5]] - It is now possible to configure the default sorting for the person search
