4.36.9

Release Notes - Webdesk - Version 4.36.9 - February 28, 2022

Bug

- [WD-13682[1]] - Fixed an issue in JournalV2 that caused columns of the type "Daily Program Value" not to be displayed
- [WD-13683[2]] - Fixed an issue when opening JournalV2 via a link from another report

New Feature

- [WD-10204[3]] - It is now possible to have the weekly program selected automatically based on the weekly hours of an employment
