4.49.2

Release Notes - Webdesk - Version 4.49.2 - January 20, 2023

Bugs Were Fixed in the Following Areas

- [WD-15046[1]] - Role badges can no longer be used for "derived roles"
- [WD-15045[2]] - Org types of roles were not saved correctly
- [WD-15040[3]] - Derived roles could not be opened by client administrators
