4.49.11

Release Notes - Webdesk - Version 4.49.11 - February 8, 2023

Bugs Were Fixed in the Following Areas

- [WD-14269[1]] - The daily deductions in the business trip expense report are now always displayed in the same order
- [WD-15161[2]] - When favorites are deleted in project time tracking, they are now no longer incorrectly displayed in the list of favorites
