

Improvements

Travel Expense Tracking

- [[WD-22365](#)¹] - Adjustment of the validation for overnight allowances so that, for one-day domestic trips, an overnight allowance can be recorded in certain cases.

Bug Fixes

Travel Expense Tracking

- [[WD-22325](#)²] - Fix for an issue where, on tablets, selecting attachments was no longer possible for receipts with multiple possible attachments.

HR Expert

- [[WD-22253](#)³] - Fix for an issue where permanently deleting employees from the trash could result in an error.
