

Bug Fixes

- [[WD-17804](#)¹] - Fix for an issue in the access permissions function that automatically set the default value for the approval status to "rejected". The default value is now "approved" again.
- [[WD-17792](#)²] - In the travel expense report area, some field labels were corrected to use the term "trip types" (instead of "trip kinds") consistently.
- [[WD-17771](#)³] - Fix for an issue in Project Time that occurred when importing files as soon as they contained column headings with a space or a special character

Improvement

- [[WD-17752](#)⁴] - Customers can now save drafts in the custom process form Security Questionnaire (EventSecurityQuestionnaireForm.proc).
