

4.56.7

Release Notes - Webdesk - Version 4.56.7 - March 26, 2024

Bug Fix

- [[WD-16762](#)¹] - Fix for an issue in the action ps_editSalaryAccounting that produced an error message when a start date for a query was used that was before the activation date of this person
- [[WD-16763](#)²] - Fix for an issue in the action ps_editSalaryAccounting that caused overtime limits not to be taken into account when processing items in payroll
- [[WD-16827](#)³] - Fix for an issue in the action PoDeletePErsonInTrashbin that occurred when entries for tasks still existed for the person to be deleted
- [[WD-16837](#)⁴] - Fix for a regression in JavaScript that blocked this function when maximizing a view in the payroll area
