

Personal Info, Accounts

This menu item allows to retrieve personal user information as well as a range of main time-accounts from the time-management system.

The date field provides the entry of any alternative date. The date can be entered either in the format dd.mm.yyyy or via the calendar help. After activating the "Refresh" button (Query/Search) you will receive the current account balance with the due-date specified above.

 **Info / Accounts**
