The screenshot shows a web interface for file management. At the top, there is a header with the word "Files" and some icons. Below that, there is a sub-header "New File" and a pagination indicator "Eintrag 1-10 von 162". The main part of the screenshot is a table with the following columns: "Pfad", "Zuletzt geändert", "Version", "Mime-Typ", "Gültig von", and "Gültig von". There are five rows of data, each representing a file entry.
